### FAMILY SOCIAL CAFE

We are pleased to welcome all our families to our social cafe on Thursday 30th January 2pm - 3pm. The cafe will be run by our Post 16 students in our Iles Kitchen. They will be serving drinks and snacks which various classes across the school have made.

This will be an informal opportunity to get to know other families whose children attend the school and discuss any general questions or queries you may have to help support your child further.

Key staff will be available if you would like to discuss managing challenging behaviour at home or school; developing communication or social skills; supporting your child's learning at home; keeping your child safe online; careers/next steps advice or any other key queries or questions you may have.

Please can you let your child's class team know if you are planning to attend. We look forward to seeing you there.

### SWIMMING KITS

Just a gentle reminder for primary children to bring their kits in each Thursday for swimming, including swimming nappies if applicable. Thank you!

### IMPORTANT

If your child uses nappies, wet wipes and sanitary products please can you ensure that you are sending them in regularly. Class teams will also send a reminder when they are nearly out so please check all messages.

### SEESAW

Please check seesaw regularly for updates you may need to know regarding your child.

If you need help accessing seesaw, then please ask the class team and they can direct you.

## SEND Post 16 Transport Consultation

Dear Parent/ Carer

North Somerset Council are looking to gain your views regarding transport arrangements for Post 16 pupils. If your child is in Year 10,11,12 or 13 then we strongly advise that you attend one of these events to hear NSC presentation and so you are able to make your feelings clear about their proposals.
