|     | Charlotte is a parent of a pupil at the school, works at a secondary school |           |
|     | in Weston. Feels like she can help by being a governor to make sure         |           |
|     | pupils are given the best they can.   |           |
|     |   |           |
|     | Sarah has helped with PFA amongst other things and works at Computer        |           |
|     | Share, working with finance. She feels that her expertise can be used       |           |
|     | well within the governing body.   |           |
|     |   |           |
|     | With two references and a DBS check in place, the existing governors        |           |

| 7  | REPORT FROM BUSINESS COMMITTEE /GENERAL LEDGER                               |  |
|    | 28.06.2023   |  |
|    | SP highlighted a few points from the meeting. The budget has improved        |  |
|    | since the previous one but still have little confidence in the figures. The  |  |
|    | budget is prepared by NS Bursar, who are looking to find a new Bursar.       |  |
|    | The school will continue to work with this budget at the moment, but it      |  |
|    | could change.  |  |
|    | There has been a pay increase for LSAs and now teachers have pay rise        |  |
|    | agreed which will cost the school a further 3.5%.                            |  |
|    | There has been lots of work being carried out and more to be carried out.    |  |
|    | The MAT plans are moving forward slowly.                                     |  |
|    | There were no questions.   |  |
| 8  | REPORT FROM PUPIL COMMITTEE 05.07.2023                                       |  |
|    | ME mentioned that BM was at the meeting as HoD elect, whilst PB steps        |  |
|    | up for CF during KB's maternity leave.                                       |  |
|    | Everything in the reports had been trumped by the Ofsted report, which       |  |
|    | shows we are doing things right. It was a very positive meeting.             |  |
|    | There were no questions.   |  |
| 9  | SUBJECT LEADER SELF EVALUATIONS  |  |
|    | KB apologised as this has not been completed but will send out via email     |  |
|    | by end of week. Any questions, please send to KB. The report will include    |  |
|    | an overview with action plans of where we are going next. It will show       |  |
|    | where training is being provided and progression of learning across all      |  |
|    | subjects.  |  |
| 10 | MONITORING OF SAFEGUARDING BY A GOVERNOR                                     |  |
|    | PP apologised for delay in sending out but there was nothing untoward.       |  |
|    | There were no questions.   |  |
| 11 | SAFEGUARDING ALLEGATIONS   |  |
|    | None.  |  |
|    |  |  |
|    | KEEPING CHILDREN SAFE IN EDUCATION   |  |
|    | MS said that this shows the number of pupils in the school and the           |  |
|    | numbers of those who have moved on and where to, to enable the school        |  |
|    | to monitor everything. It also breaks down the behaviour information and     |  |
|    | details the action taken and what the results of that action are.            |  |
|    | Amy Baker is moving on and her role will be taken on by two staff who        |  |
|    | will job share. They have received their child protection training, and this |  |
|    | will enable progression for them.  |  |
| 12 | WELLBEING  |  |
|    | ME reported that the meeting that was due to take place was postponed        |  |
|    | due to Ofsted.   |  |
|    | The Staff room upgrade is ongoing with LC. The staff appreciate the tea,     |  |
|    | coffee and milk provided by the school. There has been some concern          |  |
|    | with some staff feeling that the school dress code has not been upheld.      |  |
|    | These members of staff have been spoken to and the guidance has been         |  |

|   | reissued.   |
|---|---|
|   | The end of year awards were continued again this year and were much                 |
|   | appreciated and went well. It was a very positive meeting.                          |
| 3 | HEADTEACHERS REPORT   |
|   | MS expanded on the report and explained that the number of FSM is now               |
|   | at 55 pupils.   |
|   | The report highlights the next steps for the school:                                |
|   | In foundation subjects, some staff do not have specific knowledge they              |
|   | need to adapt learning successfully for some pupils. As a result, some              |
|   | pupils do not gain new knowledge as well as they could. Leaders need to             |
|   | ensure that staff have the guidance they need to implement the                      |
|   | curriculum well in all subjects. SLT have meet with SIP to discuss the              |
|   | Good Ofsted and are planning to implement further support for subject               |
|   | leaders in non-core subjects which will ensure this point is addressed              |
|   | during 2023-2024.   |
|   | <b>EYFS</b> – The lead has met with the SIP discussing actions and plans for        |
|   | the next steps within EYFS.   |

|   | hall to help develop communication.   |
|   | Secondary – Arts award and Art CGSE have taken place. One staff                     |
|   | member is undertaking forest school training.                                       |
|   | P16 – Baywood Shop has opened and closed for term 6 and P16 have                    |
|   | run pop-up shops within the school.   |
|   | Impact of SIP Whole School- Ofsted deep dives in Reading, Maths, PE,                |
|   | and Computing confirmed that schemes of work in core and foundation                 |
|   | subjects had detailed curriculums and leaders were clear in what they               |
|   | wanted pupils to learn in their subjects and clear progression from long to         |
|   | medium term plans.  |
|   | Behaviour – The school has invested in support and further training for             |
|   | Assistant SENco this will ensure that her skills are up to date so she can          |
|   | continue to deliver high quality intervention such as drawing and talking           |
|   | therapy.  |
|   | Careers/Employability – The school will need to appoint a Careers lead              |
|   | next year as the new lead decided the role was not for her. The school              |
|   | has covered this role and Pip Farrell has supported in the interim until the        |
|   | right person is found for this role.  |
|   | <b>Leadership and Management –</b> After RDD stopped the joint partnership          |
|   | with SPT the school is reviewing its position regarding MATs. The school            |
|   | is looking to working in partnerships with other local special schools.             |
|   | <b>Safeguarding</b> – Ofsted June 2023 were very happy with safeguarding            |
|   | procedures.   |
|   | <b>Governors</b> – Ofsted confirmed June 2023 that Governance is strong.            |
|   | <b>Staff workload and Wellbeing –</b> Ben Tucker attended May inset day for         |
|   | a wellbeing session, feedback was generally very supportive.                        |
|   | <b>Parent Views –</b> The views of the pupils were very positive: - 'it's alright', |
|   | 'The teacher in my class works hard to ensure we are well prepared, and             |
|   | the work is done', 'Mr Senior allows me to express my feeling and I felt            |

|    | listened to', with some requests too: - 'To add more benches', 'big football      |  |
|----|---|--|
|    | goal' and 'a splashy pillow'.   |  |
|    | MS concluded it had been a good year, he is glad to be Head, and                  |  |
|    | everyone had worked hard to achieve this.   |  |
| 14 | GOVERNOR SKILL AUDIT  |  |
|    | ME mentioned that this had been sent to governors, please fill in and             |  |
|    | return to ME by end of August ready for meeting 6 <sup>th</sup> September. Please |  |
|    |   |  |
|    | be honest but not modest; this audit will enable us to see strengths and          |  |
|    | weaknesses within the governors.  |  |
|    | Sam Barham (SIP) wants to meet with governors some time in January.               |  |
| 15 | IMPACT OF SPORTS PREMIUM FUNDING  |  |
|    | MS apologised as this had not been completed fully. The figures of                |  |
|    | income and spend would be similar to last year, 19K but MS would                  |  |
|    | update and send to governors.   |  |
|    | The targets had been updated –  |  |
|    | The school attended the dance festival, and a number of sports events             |  |
|    | took place run by Wesport.  |  |
|    | The school have started its own after school sport club this year, which          |  |
|    |   |  |
|    | will continue for the next three years, offering a wide range of activities       |  |
|    | that are accessible to all.   |  |
|    | Sports day was a celebration of the many activities that pupils have taken        |  |
|    | part in during the school year.   |  |
|    | Primary playground will be in place for September 2023. Funding has               |  |
|    | also been obtained for a sunken trampoline, which will be next to the new         |  |
|    | playground.   |  |
|    | Curriculum in place and staff have embarked on CPD to support                     |  |
|    | implementation of the outdoor curriculum for pupils.                              |  |
|    | The school continues to ensure our PE and Sports Provision for all pupils         |  |
|    | meets the Platinum Award standard. P16 are educated on how to book,               |  |
|    | travel to and access sport in their local communities. This will enable           |  |
|    |   |  |
| 10 | them to have skills and knowledge so they can access sport for life.              |  |
| 16 | REVIEW OF COVID 19 FUNDING  |  |
|    | KB mentioned that this has not been completed as yet due to a new form            |  |
|    | the government want schools to complete. This form is not available until         |  |
|    | September, so will complete then. The school have continued to remain             |  |

|    | <b>Observation:</b> SLD is mentioned twice, on its own and with MLD – is this     |  |
|    | correct?  |  |
|    | Answer: MS to check.  |  |
|    |   |  |
|    | <b>Question:</b> The figures for PLAC and LAC are different in this report to the |  |
|    | HT report – why?  |  |
|    | <b>Answer:</b> The HT report shows those who are in the school learning and       |  |
|    | this report shows September overview.   |  |
|    |   |  |

|    | <b>Observation:</b> Would it be useful as this needs to go on the website, to    |  |
|----|--|--|
|    | show the acronyms in full.   |  |
|    | There is already a spreadsheet with acronyms on which ME will send to            |  |
|    | new governors.   |  |
|    | There were some amendments to the document –                                     |  |
|    | Under DAB, item 1, it should read 'The Teachers' not 'They'.                     |  |
|    | Under item 7 – Parents evening still happens but not face to face                |  |
|    | currently, which works really well for parents.                                  |  |
|    | It was suggested that the parents could also receive a phone call from a         |  |
|    | governor as ME previously used to talk to parents at parents evening. It         |  |
|    | was also suggested that a coffee morning take place so parents can look          |  |
|    | at work; ME happy to attend this to talk to parents.                             |  |
|    | Item 12 – Pip Farrell was removed as careers Lead.                               |  |
|    | In the box in item 10, therapy was changed to therapists, to be consistent       |  |
|    | with other boxes.  |  |

|    | SEN Information Report.  |  |
| 20 | CORRESPONDENCE   |  |
|    | None.  |  |
| 21 | AOB  |  |
|    | Exam Query   |  |
|    | KB reported that she had received an email from AQA relating to a pupil          |  |
|    | who had sat the same paper twice. There was a sequence of events that            |  |
|    | led to this happening. The pupil had taken a paper in year 10 and then           |  |
|    | needed to take another paper in year 11. The pupil was not in when the           |  |
|    | rest of the class took the paper, so needed to take another one. The class       |  |
|    | teacher was off sick at the time, so cover requested a new paper, the            |  |
|    | exam officer was new to the role and printed off a previous paper, which         |  |
|    | happened to be one the pupil had already taken. Unfortunately, this was          |  |
|    | not picked up when teachers moderated, and the paper sent off to be              |  |
|    | marked. AQA accepted the explanation as a genuine mistake and the                |  |
|    | pupil will not have their grade affected. Since this incidence the school        |  |
|    | have strengthen their processes, a spreadsheet is in place noting the            |  |
|    | papers the pupils have taken.  |  |
|    |  |  |
|    | Pupil Questionnaire – MS highlighted the questionnaire which was sent            |  |
|    | around the same time as Ofsted. There are two different questionnaires           |  |
|    | depending on the level of understanding of pupils, some symbolised.              |  |
|    |  |  |

|    | 79 pupils filled in the questionnaire, with most generally happy with the school. The behaviour responses were very similar to last year.<br><b>Question:</b> The question relating to understanding people from other backgrounds – has a high percent of disagree – is there a reason for |
|----|---|
|    | this?   |
|    | <b>Answer:</b> There maybe some element of the pupils not understanding some of the question. Can be interpreted in different ways. Pupils answer disagree when they do not understand the question. Maybe the question should be written slightly differently.                             |
|    | Confidential – see separate minutes.  |
