## Visitors to School Policy Keeping Children Safe in Education

Ravenswood welcomes visitors to the school, but expects all visitors to comply with the school policies and procedures, in particular DBS checks, safeguarding and Health and Safety requirements. Approval with the Headteacher should be sought for any visitor on the site or expected to join pupils during any educational visit.

This policy seeks to ensure that staff are aware that visitors can make an important contribution to the life and work of the school and visitors themselves can benefit from working with the pupils and staff.

Visitors to classes for specific purposes of contribution to topics, relating experiences etc are encouraged and welcomed. In arranging such visits, teachers need to consult with the Head Teacher, prior to finalising arrangements and should try to ensure that the visit causes minimum class/school disruption or inconvenience.

### **Authorised Multi Agency Professionals (By appointment)**
